\$6000 STOLEN POST OFFICE BURGLARY

About \$6000 is missing from the US Postoffice in Wilmington, as the result of a Tuesday night burglary. Most of the value represented was in postage stamps, taken from one of the safes in the Postoffice. Also missing are about 150 money orders.

The burglary was discovered at 5:30 am Wednesday when William Winnett, Charles Kaiser and Harold Bishop, regular postoffice employees reported for work, and opened the postoffice.

The entry had been made by forcing up a window in the rear of the west (Main Street) side of the postoffice.

Three safes, which had been recently taken off wheels, so that they could not be moved, were forced open, and in the process the lock that protects the drawers used by the front desk clerks was so jammed that they could not be opened.

It took a postal employee from Boston until 1 pm to open that part of the safe, and until it was opened the clerks had no stamps to sell to customers.

Acting Postmaster John Kenney called in both Postal Inspectors and the State Police, as well as the Wilmington Police.

No statement has been made as to whether or not any clues were found.

A State Police officer (foreground) and a Wilmington Policeman survey the scene of the Postoffice Burglary, Wednesday morning. Two of the three safes which were rifled are between them.

KIWANIS GIVES SCHOLARSHIP

The Wilmington Kiwanis Club has established a \$500.00 Vocational Scholarship. The scholarship is open to Wilmington residents who have completed up to and including Grade 12. The schol-

larship is oriented towards vocation or trade school and not restricted to accredited colleges.

Applications are available at the High School and the closing date for applicants is June 1, 1968, for the 1968, this year's, graduating class.

Audrey Mirakian Killed On Rt 93

Details are still not available on the accident which took the life of Mrs Audrey Mirakian, 23, of 189 Woburn Street, in an accident on the northbound lane of Route 93, in Tewksbury, just over the Wilmington line.

Her husband, Barry Mirakian is in poor condition, at the Lawrence General Hospital, in Lawrence, and cannot be questioned.

Mrs Mirakian was driving a Cadillac at the time she met her death. Reports, which have not been verified by the State Police, say that her car was in lane two, as was a Saab. The Saab pulled over to lane one, and was struck by a Corvette, which had been approaching from the rear. In the

resulting collision either the Saab or the Corvette was catapulted onto the Cadillac, which then overturned.

Mr and Mrs Mirakian made their home next to the Park Street bridge Mrs Mirakian's brother is Donald Peak of Marcus Road, and her sister is Mrs David Tribou, also of Wilmington.

Her parents are Mr and Mrs Walter Peak, of 190 Woburn St, who live directly across the street from the Mirakian home.

The drivers of the other two cars have been identified as Dennis L. Heidtmann, of 95 Mt Vernon St, Boston and Donald C Currie, of 165 Bradford Street, Everett.

The Wilson Memorial Chapel, in Somerville, is in charge of the funeral arrangements.

TWO DRAINAGE WORK PARTIES SATURDAY

The Wilmington Drainage Committee is to meet Saturday at 9 am at the Federal Street pedway to the Wildwood School, and then a second shift will meet at 1 pm at the same place.

Four boats have been obtained for Saturday's work, which will be down stream, on Maple Meadow Brook.

A Big Fund has been achieved, for coffee, ice cream and tonics.

There will be plenty of work for any man who wishes to volunteer, and for the Boy Scouts, too.

BACCALAUREATE SERVICES FOR CLASS OF 1968

The Baccalaureate Service, sponsored by the Churches of Wilmington, will be held at the High School Auditorium, on Sunday, June 2nd, at 7:00 pm.

Due to space limitations, only High School Graduates and their parents have been invited.

A reception will be held in the High School Cafeteria immediately following the Service.

Volpe Lauds Senator MacKenzie

SENATOR MacKENZIE'S TESTIMONIAL, a week ago Saturday, in the Colonial Hilton, in Lynnfield, drew over 600 friends.

Shown with some of his Wilmington Friends, Senator MacKenzie has his arm over the shoulder of Bob Smith of Ridge Road. Mrs Smith is beside Bob, and Selectman Miceli to the left of MacKenzie.

Seated, L to R are Mrs Madelyn Slater of Grove Avenue, Mrs Ruth Kitchener, chairman of the Republican Town Committee, Selectman Mrs Wavie Drew, and Mr and Mrs David Holbrook of 45 Church St

Planning Board

The statement agreed on was: 'The Planning Board has reviewed extensively the Development Plan of the Eames Street Industrial Park, presented by the Wilmington Redevelopment Authority.

As a result of this review, and after discussion with its consultant, the Board is of the opinion that the Development Plan, as presented, goes beyond the scope of the Town's zoning regulations and that there are a number of areas which are not in accordance with the sub-division regulations presently in force.

Therefore, the Planning Board feels, in order that conformance may be obtained, and in the best interests of the Town, that the Development Plan, as proposed, be jointly reviewed by the WRA and Planning Board, with a view

The bill of Danny Gillis, of the Planning Board, and Selectman Miceli, seeking state legislation to restrict the use of fifty foot house lots, came up for discussion Tuesday evening, at the Planning Board meeting.

A meeting is being arranged with the Attorney General, the Department of Commerce and the Massachusetts Federation of Planning Boards, to further the efforts on securing passage of the bill, House Bill 834.

There was a long discussion on the proposed Eames Street project of the Wilmington Redevelopment Authority, before the meeting of last night, in the High School. All the members felt that there were still things to be done, and on motion of Mr Gillis, the board decided to present a written statement at Wednesday night's hearing.

to facilitate the completion of the Plan.'

Speaking of the consultant, Prof. Elliott of Harvard University, Mr Gillis declared that he was the most valuable consultant in years, and that the Planning Board had accomplished much in the past two years, with Mr. Elliott.

Gillis noted in a legislative report that Senate Bill 134, and House Bill 4019, having to do with the legislation of billboard signs, had been sent back to the committee, in the State House.

He was glad about S 134, which he considers a 'good' bill. The other bill, he said, could have been written by the Outdoor Advertising Council.

The Board voted to write to Rep Fred Cain and to Senator MacKenzie, and find out how they had voted on the two bills.

Let Those Lady Slippers Grow!

By this time next week the few remaining Lady Slippers in Wilmington will be in full bloom.

Children, and grown-ups too, just cannot resist the urge to pick these lovely blossoms, and take them home to put in a vase and decorate the home for a few days.

Unlike, for instance, dandelions, the flower of a Lady Slipper does not produce thousands of seeds. There are only two.

In a few more years there will be no more Lady Slippers in Wilmington - unless the people of this town can be persuaded to Let Those Lady Slippers Grow - and in their natural habitat.

Dear Larz: Why Don't You . .

There was a letter, yesterday, from a lady who wanted to know why the Town Crier does not print the Little League scores.

The lady had a simple question, and it deserves an answer. That, too, is simple. In other towns except Wilmington there is a Little Leaguer, or an official, who brings the scores to the newspaper office. No newspaper can under ordinary circumstances afford to chase around for such items.

Don't gamble with your nest egg; make sure your insurance is adequate and up-to-date.

Bedell Brothers Insurance Agency, Inc.
402 Main St. OLiver 8-9116 Wilmington, Mass.

But there is much more too.
And it might possibly be a good time to discuss a few points.

There was the fellow, for instance, who a few months ago wanted to know why his boys' name had never been in the paper - he too was serving in the Army. The answer was simple - No one had ever told the Town Crier.

It takes time, and effort, and money, to publish

The Old Postoffice

THE FORMER WILMINGTON POSTOFFICE: Retired Postmaster Henry Porter has loaned the Town Crier this picture of the former postoffice in Wilmington Square, now the office of the Bedell Brothers Insurance Company.

This picture was evidently taken in 1903, shortly after Milton Holt became Postmaster. He moved the postoffice into this building. Notice the porch that ran around the building (except the back) and the tree growing through the floor. Also to be seen are the tracks of the Boston to Lowell trolley cars, and a portion of the old Blanchard house which stood next door, near the site of the present telephone building.

CARD OF THANKS

I wish to thank all of my friends who helped make the Testimonial last Friday such a great and happy event. It is one I shall always remember and cherish with happy memories. Thank you all for the many wonderful gifts, the greatest one with no material value, but the one of your friendship in making this night possible for me.

I hope you enjoyed it as much as I did. To me, it was not a Retirement Testimonial, but a happy reunion of all of my friends. Once again, thanks from the bottom of my heart.

Nosey Nancy

Send your announcements to Nancy, Box 208, Wilmington, or call 657-7141, or after five, 658-4865. If I'm not there, I'll call you.

Hi there, folks. Come on now the yarn is slowing up and we have to meet that deadline for those 45 afghans, and it looks like we'll be running into the summer months, with no knitters and Nellie doing them all by herself unless you all get on the ball! Now, if you can't get in to the Depot with your \$1.00 or you haven't any odds and ends around to give those gals, mail me your \$1.00 to Nosey Nancy Box 208. Town and I'll get same. That's great. I knew you had just forgotten me!

Hear the Youty Center at the Methodist Church is now open on Tuesday from 7:00 to 9:00 pm and on Saturdays from 7:00 to 11:00 pm. Also, mas and pas, the younger group is well chaperoned, so send the in group down for a try-out!

Hear that Wilmington is not doing too well with its 'Friendly Town' registration. Come on, give those kids from the ghetto a chance at our green open spaces. Call Jane Coester at 658-4273 and sign up for a small fry for two weeks. You can select your preference as to sex and age...So don't put it off another minute!

The Junior Troop of the Girl Scouts tell me that they were the first to camp out in Tyngsboro over the 19th of April. They must have knocked the ice off the water that weekend. And also, so that the honors will be fairly distributed next year, they promised to give me some advance notice!

Alyce Weed of Cunningham Street and beauty shop fame is back in circulation. She'll be in the shop next week, and has asked me again to thank all of you wonderful folk for the cards. You are just great! And...she finished the afghans...she is brining them in when she comes to the shop on Thursday...Don't know how the rest of you gals are doing, but it's certainly lucky for this gal that she's coming back, because I'm beginning to feel like I was related to a Lion.

Hear that Jackie Weed spent a weekend in Miami with his Section of Northeast Airlines Bowling League from Boston, and they took second place in the competition! Congratulations, Jack...think this is the first time a team from Boston has been down there.

The Mothers of Larry Howe and Steve Sabre have called to thank this chick for her offer for books. Seems that Larry has all the work he can handle. Steve asked for the books to go overseas because he had plenty. However, he is going to contribute his when he's finished with them, and we'll work a lend lease program, so that all can read them.

The Crusaders and Swordsmen will be marching in the parades in Wilmington, Tewksbury, Billerica and I don't know how they're going to manage all three places, but I am assured they are. Next week I'll be giving you a list of their scheduled competitions. New blood is needed. Come on there small fry and be-tweeners. Join up...Crusaders on Tuesday at W Intermediate for 12's and overs at 7:00 pm. Thursday for 8's to 12's at Boutwell Street at the same time! Let's get down there now. Don't know when I've seen such a dedicated group of kids and adults unless it's the Pop Warner League.

Speaking of the League, Jean Smith called to ask me to thank all of you again and again and the Friends and Parents of the Pop Warner League for their work and patronage of the Auction and Rummage Sale last Saturday. It was a howling success!

Jim McFarland of North Wilmington called to say that most of the Little League team pictures had been taken by his James way Studio. To order your color plaque, give Jim a call at 658-9089.

If you really want to see something...drop into Mike Weinberg's to see that Penny Candy on display. We haven't seen anything like it since we were kids, and Bernie, who's now at Silver Lake Pharmacy, used to have the soda emporium at West Medford...it's just great...the kids will love it the grownups will be thrilled...and probably even Bernie would get homesick if he dropped in. Forgot to ask Mike if he had striped bags, but I'll bet he does. I know he's got those striped peppermint candy sticks that we love...and us on a diet...ho well...Take the kids in and see it...and rob Piggy before you go...it's really worth it!

His grandmother tells me that Wayne M Drew, son of Mr and Mrs Arthur Drew of Houghton Road left for the Marines a week ago Thursday. Hear that he was all signed up for college...and without telling anyone until the last minute...three days later he was gone with the Marines...That really is the way to do it! Congratulations, Wayne. Lots of Luck!

Doc Fagan always has a cherubic smile on his face, but if you look closer, this week, you'll see it is really beaming!

Doc spent last weekend down in Villanova College, in Pennsylvania at an alumni reunion. He was in the Class of 1922.

Of course there were all his old friends, but that's not the real reason for the smile.

He spent part of his time hobnobbing with Dave Patrick, who is one of the greatest milters in the country today, and Jumbo Elliot, Elliot, who is probably the greatest track coach in the country!

Now for the boys: "I got a cute note this week around a brand new \$1 dollar bill: 15 May 1968

'Dear Nosey Nancy,
'For Yarn, For Postage, For Both;
For those who aren't as
Fortunate as we are, thru
Freedom.....

Remaining yours,
Allyson and Bill Iovanna

(Thanks a bunch kids, and that must really mean something on your pay...We surely can use it... Yarn is the problem at the moment)

Ronnie Park sent us some of the most beautiful post cards. Come in and see them. This note was wrapped around them:

17 May 1968

'Dear Nancy:

'Well just a few more postcards. They got some new one in, so figured you would like more. Nancy on the letters on my letter, I can only say thanks to them all.... (requested omission)....I have had little ones and old people come and say, what is America like? It's not easy to face these people, because they have such a sad look on their faces. They have been in war so long that they wish they could be free.

'No government, not even our own, worked out the first time. They have come a long ways, and they keep trying. They have to make changes in this government, but I am sure once this war is over, it will work out. Also, we will never leave here, because we have bases here that we will keep for a long time.

'I just hope these kids today will grow up and look at the way of life that has to be. We all have to fulfill our duty in the service unless a health problem interferes.

I have 130 days to go over here and will be glad to get home. Also, if I have to come back, I would protest it, because I feel it's my duty.

'Well, sorry no picture at this

time because I don't have any now. 'Take care and keep up the good work. Yours truly, Ron Park.' (I believe that what Ron meant to say was that if he had to return to Vietnam, he would not protest it, because he felt it was his duty. Is that right, Ron? Anyway, keep up the good work yourself...Looks like Wilmington will be really rocking in about three and a half months...!)

From Marc Bliss and Tommy Wahl on the Sanctuary to all of you folks, dated Monday, May 13, 1968, about 10 miles off the DMZ RVN

'Dear Nancy:
'I am terribly sorry that I haven't written you sooner to thank you and the wonderful citizens of Wilmington for your generous donations of books and games for the patients aboard the US Naval Hospital Ship Sanctuary. Since the arrival of the packages over a month ago, I have been terribly busy. Both Marc and I deeply appreciate all that has been done by both you and the townspeople of Wilmington to brighten up our patients' stay aboard the floating hospital off the coast of VietNam.

'Upon receipt of all the books and games, Marc and I brought them to our two American Red Cross Workers to distribute. Both Miss Carpenter and Miss Ritzu are grateful for your donations. Since that time, many a patient has had the opportunity to relax with a book or a game to pass the time.

'As I wrote previously, occupying the patient's mind is a very important part of our therapy here, as in any hospital throughout the world. Thusly, all of our patient's minds have been occupied and they have been recovering well.

'I hope, as I am sure you do, Nancy, and all of your readers do, that the peace talks, now in progress, will put an end to all of this bloodshed and loss of lives. We are doing all that we can to patch up the wounded and cure the ill, but there is always the poor guy who is beyond medical aid. This is what hurts. It is rewarding for us here aboard Naval hospital (AH-17) in USS SANC TUARY to see a man recover from his wounds and have the ship smiling, but at the same time, it is very discouraging for all of us to battle desperately to save a life and lose. Someday, I hope that none of this will be necessary, and we can all return home healthy and in one piece.

'Marc and I will be leaving Sanctuary and VietNam within the next three to four months, but there will be others to take our places. All we can do is hope after twelve months of fighting to save lives that our reliefs see peace come between the Allies and North VietNam.

'An example of a disheartening incident is one that occurred this morning. After delivering some patients to us here aboard Sanctuary, a Marien helicopter's engine failed, and crashed into the South China Sea. Due to the quick thinking and fast action of our crew, two of the three crew members were saved. The third man, the gunner, was lost. We have had search parties and divers out all day looking for his body with no results. It is not only the loss of human life due to enemy action that is disheartening but accidents such as these also. I can only hope that it will be all at an end very soon.

'In conclusion, I would like to thank again everyone who donated books and games to the USS Sanctuary patients, and say see you all in about 112 days or so.

'Keep praying for every serviceman in VietNam and for peace and never forget that every man, no matter what his job is over here is longing for peace, so that he may return to his family and loved ones in the 'land of the big PX'. Sincerely yours, T F Wahl, HM3 USNR.

(And, Tom and Marc, this gal for one is really praying for you, the other boys, and those great men who are working out the negotiations for peace in the face of all of the diversities...May.... God Bless and Keep you every one...We certainly are proud that you belong to us!)

June 10, 1968--that's Monday that Marine Corps League will be

having an open house at the Sun-Luck Restaurant on Rt 3A in Burlington. ALL MARINES, BOTH former and present are invited to be there. For further info, call Stewart at 944-6645!

There'll be a HAPPENING in Town on Sunday at 8:15 at the old Baptist Church, sponsored by the Ecumenical Youth Council and we hear that Andy Petto is in charge. Turn out there, cool ones!

Dave Walsh and I have been telephoning each other all week and finally found that he has some

Gerbils that need a good home. If you have a spot for them, call Dave at 658-6154 after 3:30 pm.

Make with the cards, there gals! Lucile Medico Clark is in the Winchester Hospital with an emergency operation, and is now recovering nicely, but would appreciate hearing from all of you!

Did you know that there is a Youth Activity Group run by the members of the Crusaders and Swordsmen--the kids themselves that is. Well, there is and they

Selectmen's Meeting

The Board of Selectmen, Monday night, took exception to a tape recorder, at the meeting. The recorder had been carried in by an applicant for a club license, at One Grove Avenue.

A memo from the Building Inspector said that this was a case for the Board of Appeals. Another memo, from the Chief of Police, said that he realized this was being done in the interest of young people, but he questioned the wisdom of the location. A neighbor, Paul MacQuaid, objected on the grounds that there wasn't enough parking space, and another neighbor, Mrs. Burns, 8 Grove Ave. asked where the young boys would come from. There were none, she said, in the neighborhood.

Selectman Miceli spoke up to say that he understood the club would be for married men, not boys, and Mrs. Madelyn Slator, also of Grove Avenue asked if the proposed club was within the zoning laws.

Alma Williams, 9 Grove Ave. said that the boys were respectable, and she named them

But, on motion of James Banda, seconded by Miceli, the Selectmen refused to grant a license for pool tables and a juke box, since there was no club in existence, and until a hearing was heard before the Board of Appeals.

A hearing under the Hatch Act had been scheduled, but the applicant did not appear. After waiting a while the Selectmen decided to deny the application, and further to write a letter to the Dept. of Natural Resources, protesting that the work had already been accomplished. The vote was three in favor, with Banda not voting. The Chairman of the Conservation Commission, who was present, showed pictures of work said to be in the area, and already done, and other pictures, said to be taken in the area in March.

Mrs. McKie, chairman of the Planning Board, who was present, was asked if the Wilmington Development Company was in violation of a town ordinance by building the road in a residential area. To her knowledge, she said, there was 'no road'

The Conservation Commission took a stronger stand. A memo from that commission told the Selectmen that they were unanimously against the proposal, since, they said, the developer already had a Cease and Desist order from the Department of Natural Resources, and further they felt that the drainage of Lawrence Street and Shady Lane drive was being affected by the filling of Lubbers Brook.

Bob Mullarky, a neighbor, asked a rhetorical question, that if the company had chosen to ignore the 'cease and desist' order, then what would happen if they ignored this one. Miceli told him it was up to

the Department of Natural Resources, and the Attorney General.

Walter McNamara of Kenwood Avenue appeared to discuss the modification of Alderwood Estates Extension, voted several weeks ago by the Planning Board. William Stickney of the Planning Board explained that the modification voted was provided that the Hatch Act was satisfied - the previous hearing, he said, had been in default since the Department of Natural Resources had not been notified prior to the hearing.

Mr. Morabito of Fitz Terrace appeared on recommendation of the TM, seeking an occupancy permit for a home on Fitz Terrace. The Building Inspector, he said, had told him that the permit had been revoked because of no permit from the Board of Health. He was referred to the Board of Health.

A hearing for the Lowell Gas Co was called, but no one was present to represent that company.

Other Business

A letter to the County Commissioner was read about fences along the B&M tracks at Brand Avenue and Lawrence St. with memos to Mr. Curley of the Department of Public Utilities from Representative Cain and Senator MacKenzie

A letter from Ken Dawe, manager of the Reading Electric Light, said that underground installation of wires would work a hardship, since the cost would be more, five to ten times as much. Chairman Boylen felt that the town should proceed with a little underground service being installed each year.

A Survey Sheet, for Town Counsel's salaries, from the Town of Walpole, was read and returned.

A memo to Commander Zwicker from the TM, asked that the Memorial Day Committee include the new flag pole in its plans for Memorial Day, and that the Selectmen dedicate the flagpole, and a plaque to the Veterans of All Wars.

On Friday May 24 the County Commissioners will have a hearing on the railroad crossing, proposed at the foot of Woburn Street, and on Tuesday June 25 there will be a hearing for the plans for the Nichols Street Bridge.

A notice from the Department of Natural Resources said that an applicant for a Hatch Act hearing at 273 Main Street had been granted, subject to many restrictions.

An application from the Jackson Brothers to remove excess loam from their new Allen Park was denied, after the Town Engineer

made an estimate that the loam would be needed. The denial was made after Danny Gillis, of the Planning Board made it clear that the proposed sub-division had not yet been approved.

Boylen moved to table the application until more information was received.

To the Editor

As a high school teacher and organizer of the recent two-day field trip to New York City; and as chaperone, I would like to express my appreciation to those students who were able to go. Their behavior, promptness, and willingness to follow suggestions was more than we had hoped for.

It was only natural that a feeling of wariness should prevail on an overnight trip with eighty students. However, the conduct of the students made not only for an enjoyable time for them, but for us who were in charge.

Often places you visit will tell you that your group was good, and they enjoyed having you, but seldom is this expression put into concrete terms.

With our students, it was. When I went to pay the bill at the hotel, not only did I receive the usual thanks, but I was presented with a bill less than what had been quoted. Because of this, the students were able to receive a refund on their expenses.

I speak for all of the chaperones, when I say to the studentsThank You!

Sincerely yours,
Robert H. Cripps

LETTER TO EDITOR

Dear Larz:

May I take a little space in your paper to say that I think Wilmington has a real nice librarian?

He is particularly nice to the children. He makes them WANT to go to the Library. Every little child who visits our library now wants to return, which is a far cry from what I have seen in some other public libraries in this state where children don't want to go back, once they have made their first visit.

Of course he is a wonderful gentle man to the adults too-that goes without saying.

I believe that Wilmington is very fortunate to have Mr. Connor for Librarian in this Town.

REPUBLICAN TOWN COMMITTEE NEWS

Election of Officers for the coming year highlighted the May meeting of the Republican Town Committee. Mrs. Albert E. Kitchner was reelected Chairman, Robert F. Leahy, Vice Chairman, Carl Noelle Jr., Treasurer, and Mrs. Joseph J. Slater, Secretary. Elected to the Board were Phillip T. Andrews, Lloyd C. Bender III, Louis A. Dindo, Miss Patricia Mac Feeley, and James R. Miceli.

Discussion was centered on the forthcoming finance drive and the committee wishes to remind all Republicans that the election of our candidates requires both financial and political support.

We would like to bring to the attention of all unregistered and newly eligible voters that the Town Hall is open daily Monday through Friday from 8:30 am to 4:30 pm also on second and fourth Mondays from 7:30 pm to 9:00 pm. Anyone wishing to register may do so at any time during these hours. Persons in need of transportation are urged to call Mrs. Albert Kitchner at 658-4850.

In view of the many complex state, national, and world problems facing us today, we particularly urge young people, 21 and over, and all newcomers to Wilmington who meet the residential requirements (6 months in Wilmington one year in Massachusetts) to register and exercise their franchise to vote. We also cordially invite any new Republican voters who wish to join us as associate members to contact any committee member.

Mrs. Esther Russell, Town Clerk assures us that special provisions will be made for people who do not meet the requirements for state and local elections so that they may vote for the national ticket. These arrangements will be announced later.

The next meeting of the committee will be held on the 28th of June at the American Legion Hall.

GLENN L. MORNING AT FIRST CHURCH OF CHRIST IN READING

Glenn L. Morning, C.S.B., of San Francisco will talk about faith and how we really trust God in his lecture on Monday, May 27, at 8:00 pm in the Church Auditorium of the First Church of Christ Scientist on the corner of Lowell and Sanborn Streets in Reading.

Mr. Morning is a teacher and practitioner of Christian Science. He attended Drake University and did graduate work at the American Conservatory of Music in Chicago. He is a concert pianist.

In 1955, he began devoting full time to the Christian Science healing ministry. He is now on tour as a member of the Board of Lecturers of the First Church of Christ Scientist, in Boston.

Glenn L. Morning
Christian Science Lecturer

What can you depend on?

How often have you heard someone say, "There's nothing you can really depend on these days?"

So often life itself seems unreliable.

But there is something you can depend on.

There is a God you can trust. Christian Scientists the world over are finding this out. They're proving for themselves that God is "an ever present help in time of trouble."

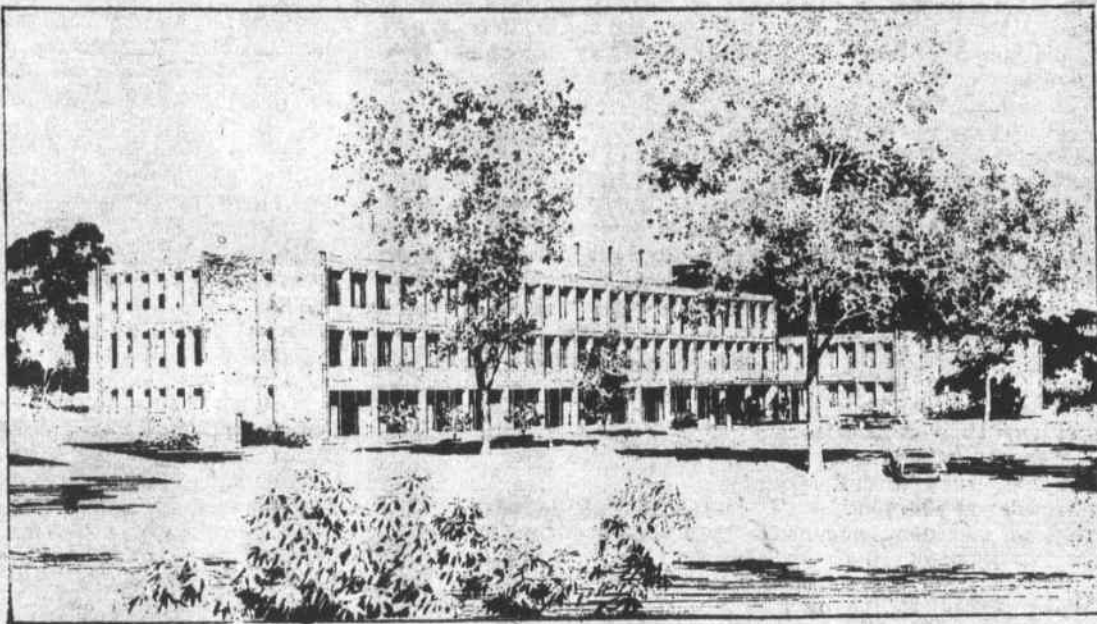

If you would like to learn about a God you can depend on, hear this lecture by Glenn L. Morning, C.S.B. Bring family and friends... the lecture is free.

Reading - Wilmington Hospital Plan Now Being Organized

Plans are now being developed to build a \$3½ million dollar hospital just over the Reading line in Wilmington to be called the Reading - Wilmington Hospital. Still at the organizational level, the hospital when built would house 125 beds.

The proposed hospital has been in the process for some time in Wilmington but just recently was the plan of making it a two community project forwarded.

A site has been chosen for the hospital which is 10 acres in size and is located on Route 129 in Wilmington, one quarter of a mile from Route 93.

Moderator Kenneth Latham had appointed a four member "Reading Hospital Study Committee" in April of 1966 and it is the intent of the Wilmington organizers to work closely with the committee to develop the hospital plans.

The four member Reading committee consists of Mrs. Pearl Malphis, Alfred Doughty, Robert Peterson and George L. Murdock.

According to A. Melville Woodside, Chairman of the fund raising drive and well known Wilmington Pharmacist, a charter commission will be appointed with 14 persons from Reading and 14 from Wilmington being named.

This commission would formulate fund raising and development plans and would be appointed in the near future.

Monies would be raised by both communities with the larger part of the funds coming from large industry plus a maximum of 440,000 in matching federal funds through the Hill Burton and Hill-Harris acts.

It would also be hoped that monies set aside for the develop-

ment of a hospital in Reading would be included. These total \$502,738, which would come from the Gilman L. Parker Hospital Fund, \$348,491 from the Anne S. Grovaro Hospital Fund 148,342, and \$5905, from the Stephen Fos-

ter Hospital Fund.

The Architectural firm of James H. Ritchie and Associates have already prepared a conception of the hospital that would contain the latest in X-ray and Cobalt equipment.

The outer covering of the eyeball is called the cornea. When, because of scarring or injury, light is distorted or impeded in passing through the cornea and then the pupil of the eye, eyesight is impaired or the person may become blind.

If the rest of the eye is still in good condition, the damaged cornea can be removed and replaced with the cornea from another eye. This is a corneal transplant.

Many people have been fortunate enough to have their sight restored by this method. Replacement corneas are obtained from people who have died, leaving instructions that their eyes be given to an eye bank.

Many people are dedicated to the advancement of medicine. Come to Silver Lake Pharmacy for all your pharmaceutical needs. Fast, courteous service. Open every day 9AM to 10 PM. Candy. . . Assorted greeting cards. . . Cosmetics.

He Died in one of the Great Mysteries Of The Sea

Harry Boyce and the USS Cyclops

As long as men and ships sail the seven seas, there will be mysteries of the Sea. The most notable, under the U.S. Flag was probably that of the brig Marie Celeste, which was found under full sail, in the 1870's, several hundred miles off the coast of Africa, without a soul on board. The story still appears from time to time in the Supplements of the Sunday newspapers of this country.

One of the greatest mysteries of all, but rarely hears of, occurred fifty years ago this Spring when the USS Cyclops, Collier was lost at sea, on a trip from Barbados to the United States.

The Cyclops disappeared, with puzzling completeness, in March 1918. A large vessel, of 19,360 gross tons, she had been constructed to refuel the battleships and other vessels of the United States Navy, while at sea, so that the fleet would not have to put into port to recalc. The Cyclops would

the USS Paul Jones, destroyer, and on the USS San Diego, armored cruiser, which struck a German mine off Long Island, July 19, 1918, and was lost. Boyce's service on these two vessels was before he was transferred to the Cyclops, in which he was lost.

And while Boyce lived in the house on the corner of Woburn and Lowell Streets, and there are people in Wilmington today who can recall him living there, there is no town record that lists him, that the writer has been able to discover. His name does not appear in the school records, and the Navy used the place of his birth (Reading) as his home. When he was lost, his mother was living at 64 Emery Street, in Attleboro, and presumably that place was listed as his home, on his death record.

But, his gravestone is in Wilmington in Wildwood Cemetery. Wilmington was the home of his family, who are buried there, and

take the other vessel in tow, and transfer coal to the other ship, sometimes over 100 tons an hour, while the two vessels steamed along, with the Cyclops exerting enough power with her main engines as to keep 'tension' on the tow line. For that day, and age, it was a marvelous accomplishment a precursor of the modern refueling of battleships and airplanes from oil carriers, at sea.

The Cyclops had loaded a cargo of manganese, used for the hardening of steel, in Brazil, and had put into Barbados for bunkers (coal) on March 4, 1918, while en route to the United States. She left the same day, with 57 passengers, one of whom was a United States Consul, 21 officers and a crew of 230, and was due to arrive in the US on March 13th, but never arrived.

No trace of the vessel, no vestige of wreckage, has ever been discovered. It is one of the most baffling of mysteries of the sea, how a well found, well run vessel could so completely disappear.

Harry Boyce, who lived at the corner of Woburn and Lowell Streets was one of the crew members of the USS Cyclops. He was a Chief Petty Officer when the ship was lost, with the rank of Chief Watertender, an official who is in charge of the boilers, on naval vessels.

Boyce was born in Reading, on May 28, 1877, and he first enlisted in the Navy on July 24, 1900, as a Coal Passer. He had an honorable record, and served on

of Harry Boyce, who lies asleep in Davy Jones' Locker.

Mrs Hannah Boyce was 'Grammy Boyce' to Mrs Olive Sheldon, of the Wilmington Board of Assessors who has furnished the picture used with this story. Olive visited her grandmother many times, in that old home.

Hannah Boyce was possibly a

sister of Mrs Charles Swain, and thus a sister-in-law of the founder of the Wilmington Public Library.

Charles Swain, of course, lived in the Gowing-Swain House, which stood until a year ago across from Lucci's, and played a notable part in the history of the town. It had to be torn down after an arsonist had destroyed the greater part of its interior.

But Charles Swain, when he returned from his Civil War Service in the Union Army, lived for a time in the smaller house, across the street, and the family that moved in, when he moved back to the big house was the Boyce family. The Boyce family lived there for many years, before moving to Attleboro.

Boyce's Naval Record:

24 July 1900, Enlisted in the US Navy as Coal Passer, at Boston. 13 August 1904, Honorable Discharge. 18 August 1904, Reenlisted at Boston, as Fireman First Class 17 August 1908, Honorable Discharge. 15 October 1908, Reenlisted as Fireman First Class, at Boston. 14 October 1912, Honorable Discharge. 15 October 1912 Reenlisted on Board the USS Paul Jones, as Chief Watertender, 13 October 1916, Honorable Discharge. 14, October 1916, Reenlisted on Board the San Diego, as Chief Watertender. 14 June 1918, Declared dead in the line of duty, while on board the USS Cyclops.

THE USS Cyclops was a naval collier. It took other vessels in tow, and delivered coal to them, at sea, in the days before ships burned fuel oil. It sailed from Barbados on March 4, 1918, and was never heard of again, nor was any trace ever found. (Official US Navy Photo)

Gas Station Day

The Lions Club held their regular meeting on Wednesday evening May 15, 1968. The following officers were elected for the year 1968-69.

King Lion, Simon Cutter; 1st VP William Cavanaugh; 2nd VP Edward Devaney; 3rd VP John Cuoco; Secretary, Frederick Marden; Financial Secretary, Frank Darling Jr; Treasurer, Richard D Howlett; Tall Twister, Charles Sobelman; Lion Tamer, Ronald McCoy. On the Board of Directors are: John Harvey, Anthony DeFrancesco, Louis Theriault, Bernard Johnson, Samuel Wilkie.

All of those who helped out at the Eye Clinic and Light Bulb and Broom Drive were invited to a barbeque to be held at the next regular meeting on June 5, 1968.

Plans have been finalized for Gas Station Day. This will be held at Frank Darling's Amoco Station on Main Street (Rt 38) in Wilmington on Sunday, May 26, 1968, when the Lions will take over the station. There will be a white elephant table, cake table, car wash, raffle for tires, and many other valuable prizes.

All proceeds from Gas Station Day will be used to continue the Eye Research.

Everyone is asked to stop and here's hoping we'll see you at Frank's Amoco Station on Main St (Rt 38) on Sunday, May 26, 1968, to help the Lions out!

KEN FOBERG TO ATTEND BERKLEE SUMMER PROGRAM

Kenneth A. Foberg of Strout Ave has been accepted for a Special Twelve Week accelerated summer program at the Berklee School of Music, in Boston, at the International Education Center for the Study of Modern American Music.

The program earns the equivalent of a full semester's credit in music subjects. He will start this program on June 10.

NOSEY NANCY (Fr. Pg. 3)

are collecting all of your old bottles and cashing them in to save the money to buy new rifles. If you are doing the Spring cleaning, or are about to get to it, call Mary Jones at 657-7146, or Elaine Hatchy at 658-6617, or Betty Kroll at 658-9052, and they will arrange a pick up for you. Now, get behind the kids, and let them have these will you? That group is really on the ball!

Seems that the Art Festival and I got our signals crossed...They are not having a Junior Division as such, cause there's not enough money for two sets of prizes. However, the kids are welcome as entrants and Mrs Anderson has plenty of entry blanks, so get with it there talented ones! There's a \$1.00 entry fee for all entries and you are not limited to one. The Festival will be on the common on June 8, unless rain, and then the next week. You should deliver your painting, framed and wired for hanging, or your sculpture to Sally MacDougall on Middlesex Avenue by June 5th. Certainly am looking forward to this exhibit. Found out that there is one thirteen old boy that is off painting and selling his first endeavors yet...That's what we call really doing it there, fella...Be sure to get that entry in...or Dad says there are five or six, we'd like to see all of them!

Selectman Charlie Black is going to take it easy for a while. He is at the Nevins Rest Home, at 110 Broadway, in Methuen.

Just saw Nellie, and she says that we are now up to 25 afghans in total, which leaves us 20 to go...DON'T FORGET US THIS... WEEK....(By the way, think that Chief Aucella and I are working out a deal on something special for you gals....) See you next week! S'long now!

Hot Stuff

He Ate the Curry

The date was Tuesday, of this week. The Town Crier was due to go to North Reading, to take a picture of Mrs Miriam Colucci, at her testimonial. But some Girl Scout leaders wanted a picture too, at the Congregational Church, at 7:30 pm. So the Town Crier went there first.

There were 32 ladies, all of the Baldwin Neighborhood (Wilmington and Tewksbury) of the Merrimac River Council. The ladies were enjoying a smorgasbord, with all sorts of good things to eat. Once a month, except in the summer, they get together for a conference, and if there is something to eat, too - well -

But this smorgasbord was just a little different.

Esme Rachel Rajapakse was one of those present, and she had brought six quarts of curried beef on rice, prepared in her native Ceylonese style. She was attractively gowned, too, in a Ceylonese Sari, of yellow, with red print.

Miss Rajapakse was a former Girl Guide (Scout) in Ceylon. She was a visitor to the United States, having stayed at the home of Prof. Robinson, in North Billerica. Both Mr and Mrs Robinson are teachers and both like Ceylonese food.

The curry was hot. Compared to it Mexican chili is just so much ice cream.

Some of the ladies had had a good helping, while others treated the curry with respect, and only took a little.

So there was still some left when the Town Crier arrived. He hadn't had any native curry since the early days of World War II, when he was sailing in that part of the ocean. And he ate up all that was left!

GIRL SCOUT LEADERS: From US and Ceylon, Rachel Rajapakse (standing, wearing a Sari) lives in North Billerica, with the Robinson family, where her cooking of Ceylonese food is appreciated by her hosts

Seated at the head table are Mrs Evelyn Lounsbury of Shady Lane Drive, the new Chairman of the Baldwin Neighborhood, Miss Ruth Nash from Andover, the Merrimac River Council Director for the Girl Scouts, and Mrs Barbara Dayton of Burlington Avenue, the retiring Chairman of the Baldwin Neighborhood

a good newspaper. A lot of work and \$600 goes into printing a twelve page copy of the Town Crier, and even more work and \$700 goes into the printing of a sixteen pager. Because of mechanical limitations there cannot be any fourteen page papers printed.

How much of the advertising money that is spent in Wilmington each week goes into the Town Crier - and how much goes into the out-of-town throwaway that never prints any Wilmington news, and still advertises that it is a newspaper, and has 68,000 readers?

The out-of-town store owners who advertise solely in that paper are flaunting in the faces of the people of Wilmington the fact that they cannot read, and are not interested in the news. And, a lot of Wilmington people just simply smile, and take it!

And blame the Town Crier because it does not get all the news.

Do any of the readers who want to know why the Town Crier does not manage to print ALL the news ever take the time to let those out-of-town store owners know what paper they read?

Telephone Cable Cut

A TELEPHONE CABLE: Which was cut by an ax, last Saturday about noon time, presumably as a result of the telephone employees strike. The pole in this picture is located about opposite to the Whitefield School, on Middlesex Avenue.

TELEPHONE OFFICIALS: Who arrived to repair the line, after the break was discovered, were promptly picketed.
